COLLABORATION

The Nigerian Festival UK is organised by Ebony Ambassadors and Nigerian Students' Union UK in partnership with Black Female Entrepreneur Greenwich and Nigerian community Greenwich

The Nigerian Festival UK is a LONG day event to showcase, acknowledge, celebrate and conserve the cultural richness and unique heritage of current and future generations of Nigerians living in the United Kingdom. Our existence is deeply rooted and inspired by the need to bridge the cultural gaps amongst Nigerian/African youths and adults who have not had the opportunity of learning the customs and traditions

We are open to more collaborative work. Together we can achieve more.
