Mental Resilience & Food Distribution Project

This Project is funded by the National Lottery Community fund. It started in March to run through September. We meet every three weeks on Zoom to discuss topics that will improve our mental well and supply food to the less privileged in our community. Our last event on Social media and emotional balance was well attended. Next one is scheduled for Friday 24th of June. You are all invited. Below are pictures from May food distribution. Next food distribution is 19th of June,

A big thank you to our volunteers who continue to support our project.
