EBONY CHARITY MISSION TO MTWALUME

2017 Orphanage visit in
Sierra Leone

2019 School visit in
Nigeria

2022 Hospital visit in
Ghana

We are fundraising to enable the winner (Miss Pearl Mkwanzani) of the Ebony Ambassadors' creativity contest to embark on her charitable mission to South Africa (Mtwalume Village, eNkambeni and Klaarwater Township).

Below are the activities of this mission

- Motivational talks at local primary schools & secondary schools,
- Organize different skills workshops:
 - Beading workshop.
 - Rhinestone Embellishment workshop.
 - Makeup workshop.
 - Sewing workshop.
- Visit the Maternity ward to hand out starter packs to the new mum.
- Visit orphanage homes to donate toys, books, food and clothing.
- Facilitate youth empowerment talks in collaboration with other NGOs

Mission benefits

The benefit of this mission is to support the less privileged in these villages in South Africa. We want to teach young people how to grow, learn and make something of themselves through skills and creativity. On the other hand, teach them how to fish instead of giving them fish.

Please support this great mission.

THANK YOU
