GRAND FINALE

29TH JULY, 2023
5PM — 11PM
LONDON MARRIOTT HOTEL,
MABLE ARCH, 134
GEORGE STREET, LONDON W1H 5DN

 **Miss Ebony**
Ambassadors

Elegant | Bold | Originality | Noble | Youth

This captivating event remains the first of its kind in the United Kingdom. Miss E.B.O.N.Y Creativity Contest has achieved the following since its inception in 2016: reduce unemployment, create more entrepreneurs, engage youth, create youth ambassadors, improve mental wellbeing, boost self confidence and initiated different skills empowerment project in the United Kingdom and Africa.

This event is scheduled to take place on the 29th of July 2023 at London Marriott Hotel, Marble Arch London. Activities on that day includes: display of skills acquired by the contestant, display of culture, award ceremony, networking, fundraising for our charity mission to Africa, raffle, fashion shows, Dance, comedy, music performance, meet and greet top celebrity on red carpet. The main purpose of this event is to give a youth a voice to empower other youths.

The search is over, the contestants have been chosen. The winner will soon be crowned.... Ebony Ambassadors in collaboration with The Comrade Show, Nnagbo Production, Global and BlackTribe TV invites the general public to the grand-finale of the 8th edition of Miss E.B.O.N.Y Ambassador UK and Award Ceremony. Miss E.B.O.N.Y contest represents Elegant, Bold, Originality, Noble, Youth ambassador contest. This is organized to crown a young lady from African decent to be a youth representative to her own country and the award ceremony is to recognize individuals for their efforts in developing their constituencies vis a vis capacity building among youth as African leaders of tomorrow who are prepared to take over leadership roles in their respective life endeavors.

The idea came into being due to our desire to have more youth representatives, believing that there is power vested on a crowned queen to reign. We need more youth role model which is why one of the many goals of the contest is to empower the entire contestant given that any one of them can be the crowned queen. Whoever emerges the crowned queen will embark on a pet project in her own country with the help of the organizers and supporters of the contest.
